2027 Annual Meeting & Exhibit Silent Auction

Dear Friends and Supporters:

The Indiana Health Information Management Association (IHIMA) was founded in 1948 and is a Component Association of the American Health Information Management Association (AHIMA). IHIMA exists to serve its members, the healthcare industry, and the public by supporting activities and providing services which contribute to quality and efficiency within the healthcare system. We are the professional health care organization of over 1200 members in the field of Health Information Management in our State.

At the **IHIMA 2027 Annual Meeting & Exhibit,** on April 19, 2027, we will sponsor a Silent Auction. We are a non-profit [Section 501(c)(6)] and funds raised will be specifically used to encourage and promote ongoing education for our members through scholarships and encourage certification through reimbursement to qualified members pursuing credentials.

Currently, we are requesting the support and participation from individuals and companies to donate items such as, but not limited to:

- Free admission tickets for theaters, entertainment tours, plays, museums, sports events, etc.
- Gift cards (e.g., spa treatments, facial & manicures, electronic devices, home good items, memorabilia, gym memberships, coffee/tea, etc.).
- Gift baskets – garden, spa day, cooking, sports, entertainment, Indiana themed (Indy 500), coffee/tea, etc.
- Merchandise, such as iPads, Kindles, work-out equipment or electronic devices (e.g., Fit Bits, watches, etc.), wine baskets, jewelry, handbags/purses, home decor, candles, etc.
- Complimentary free dinners, promotional certificates and services from hotels, airlines, recreation, tours, etc.
- Reference materials – professional books, desk and business accessories, etc.
