Good job Annual meeting committee!

2nd day was great! It was nice to be back onsite this year and to see friends you haven't seen in awhile. Thank you to the annual meeting committee! You did a good job!

I had a wonderful 2 days and learned a lot and so happy to be able to get all the CEU's at one time like this!!

My first event and it was nice

This was my first IHIMA meeting and I thought the content was excellent. It was very much worth my time to attend.
